Dear Mr. Doe,

My name is Susan Darling I live a few doors down from you in 559 Sue Them Lane. I am writing to let you know I have heard loud music at your house on the following dates: April 12, April 15, April 17, May 10, May 12, May 15, and May 18. I have heard the music between the hours of 12:00 am and 3:00 am on the above noted dates. Excessively loud noise during these hours is a violation of ordinance number 555 of the Housing code of Not a Winning Solution, Maryland (see enclosed ordinance)

I introduced myself to you on April 18, 2002 and we had a brief conversation about my concerns. I was hoping that our discussion would resolve the problem. The noise did stop for a time and I appreciate your efforts to stop the noise.

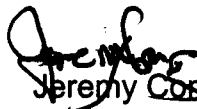

As noted above since our conversation I have heard loud music four times. My son Micheal has had trouble waking up in the morning to attend school due to the loud noise keeping him up at night. I have spoken with Jim Bob of 561 Sue Them Lane, Jane Court of 548 Sue Them Lane, and Jemery Complaint of 551 Sue Them Lane and they too have concerns about the loud music. We would like to find a time to meet with you and a neutral third party to discuss our concerns. We have a strong community here in Not a Winning Solution and we hope that we can work together to resolve this issue positively.

Please feel free to contact me at the below number during evening hours. Thank you in advance for your cooperation with this issue. We are all confident that this issue will be resolved and have a positive outcome for all concerned parties.

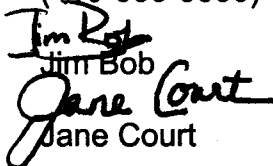

Sincerely,

Susan Darling
